ANDERSON HOUSE

TECUMSEH - MICHIGAN

Built by Elijah Anderson in 1832, one of twin brothers who built houses of the same type on opposite sides of the Chicago road in Tecumseh. It was occupied by Elijah Anderson for twenty or twenty-five years, when it was sold to Mr. Horace Brewer, who had been associated with the Andersons in business. The house was inherited by Albert Brewer, his son, who had one heir, Albertine Brewer, who married P.W.A. Fitzsimmons of Detroit.

It has been used for several years as an inn. There have been no extensive alterations. The rear wing is an addition.
